ABOUT ME

I am deeply passionate about technology and stay updated with the latest trends. With 3 months of summer internship experience as a backend developer, I've gained valuable insights into software development.

Currently undergoing long-term workplace training for the spring semester, I am eager to further enhance my skills and knowledge. Over the past 4 years, I've immersed myself in various technologies and projects, refining my abilities in backend development and project management.

I am enthusiastic about the opportunity to contribute to your team and continue my professional journey with your organization.

Thank you for considering my application.

Sincerely,

EXPERIENCE
